Our Facilities

Our Top Facilities

School Compound

Our school compound is secure and features ample play areas to support your child's development, making learning both easy and fun for our pupils. Additionally, our school is conveniently located.

Sport Facilities

Our elementary school offers excellent sports facilities, including a multi-purpose sports field, basketball court, indoor gymnasium, playground, running track, swimming pool, and tennis courts. These ...

Interactive Class

Our school offers interactive learning sessions designed to engage and inspire children, making education fun and effective through hands-on activities and collaborative projects.

Dinning

Our pupils' dining area offers nutritious meals in a clean, friendly environment, ensuring students enjoy a healthy, balanced diet.

Play Time

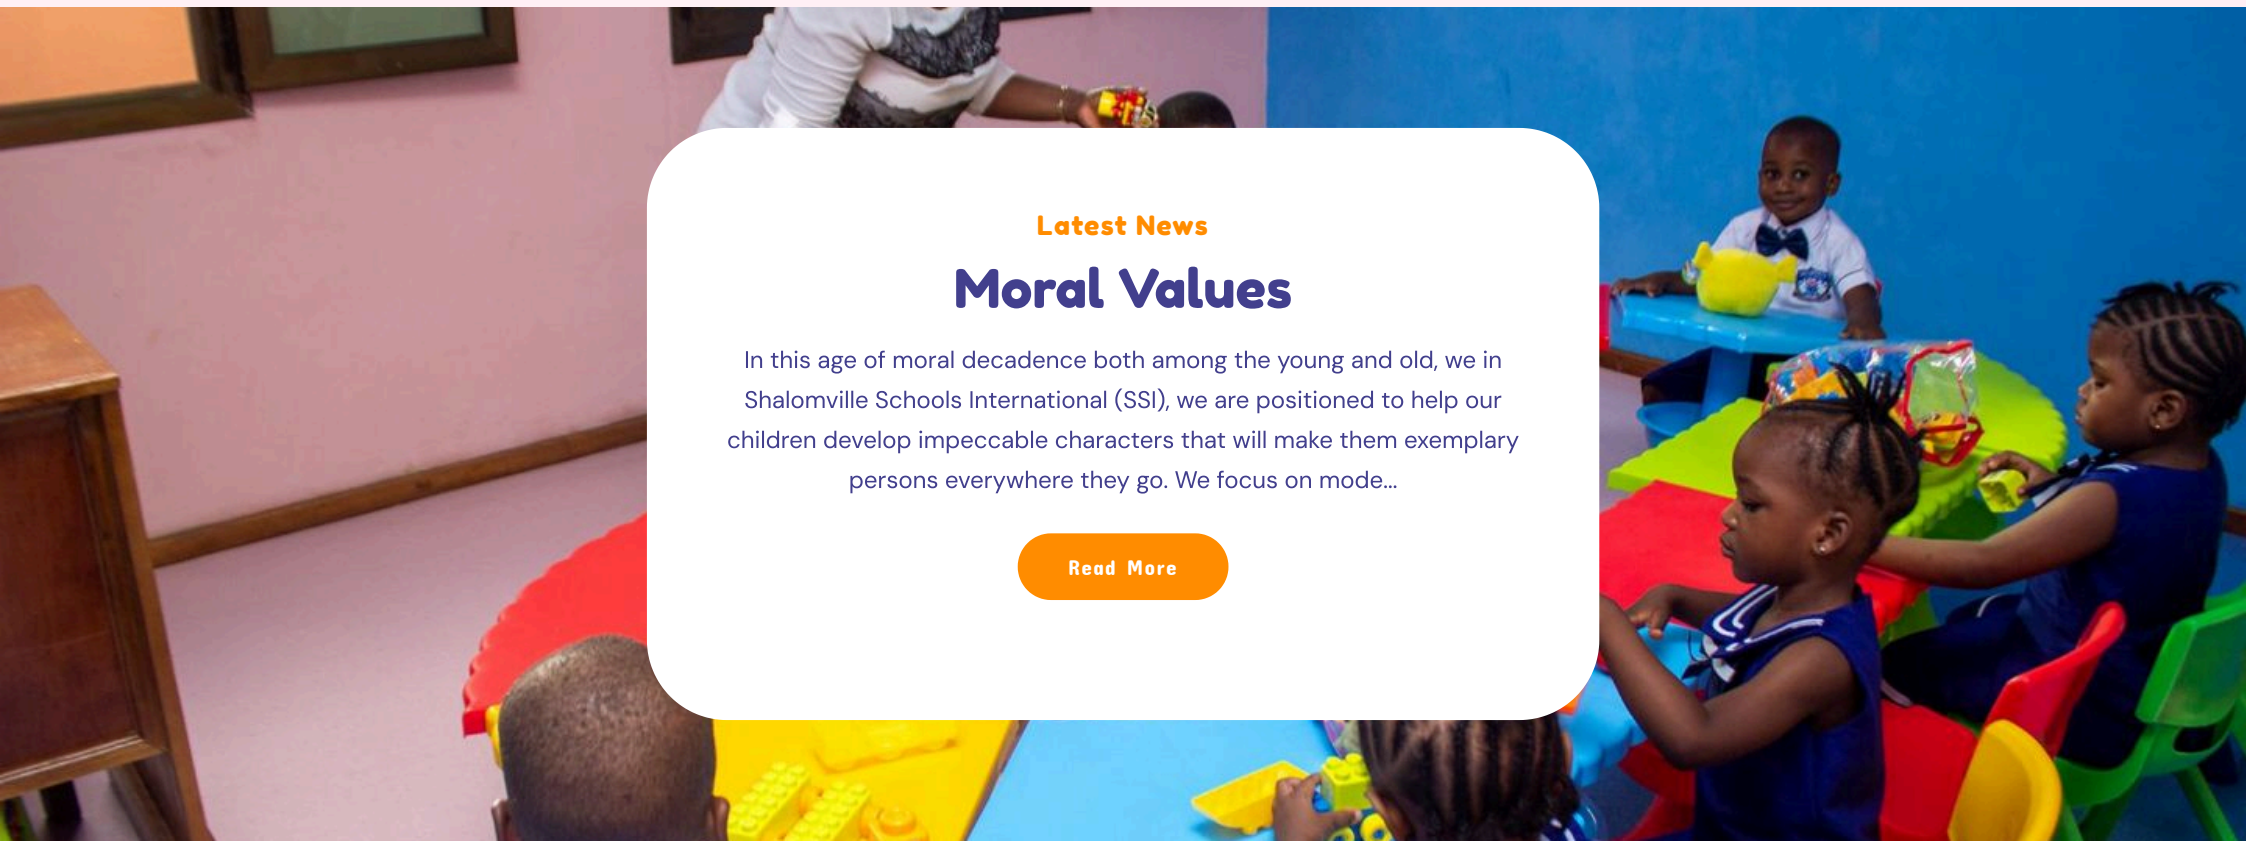

Playtime at our school is fun and engaging, with safe, supervised spaces where children can explore, play, and develop social skills.

First Aid

Our school sick bay provides essential first aid treatment and is staffed by caring professionals to ensure students' health and well-being.
